Intro/Background

The Merced County Schools LGBTQ+ Success Network is a group of people convened by the Merced County Office of Education to develop support systems for LGBTQ+ students, families, and stakeholders in Merced County Schools. We would like to ask the youth across Merced County to help us with a logo for our group and for our website.

We have created this this definition of “Safe Space”:

A safe space is intentionally designed to be a welcoming, supportive, secure and inclusive environment that is free from discrimination and harassment.

- Purpose:
 - Making the network feel closer to the community.
 - Input from the youth community that we serve.
 - For the youth of the county to share their artistic skills in creating our logo for our group and for our website.
- Guidelines
 - Art should be school appropriate.
 - Age Range / Categories:
 - Grades 6-8
 - Grades 9-12
 - Undergraduate
 - Overall Winner
 - Deadline for the submission: Friday, March 19th
 - Prizes: Every student submission will be acknowledged, and the winner will be used on the website, on communications, and more!
